3. The following is an examiner's statement of reasons for allowance: When read as a whole, Claims 1, 9 and 17 are allowable with respect to the limitation of (a second instruction/means for) determining whether an error exists based upon the replication information;"; as the determination of an error, in the teaching of Cassidy, is based upon a network failure and not upon the actual replication data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher S. McCarthy whose telephone number is (571)272-3651. The examiner can normally be reached on M-F, 9 - 5:30.
